(ST. LOUIS, MO) – Russ Carnahan (MO-3) released the following statement in response to the passing of Francis Slay, Sr.

“I spoke with the Mayor earlier today to extend my heartfelt condolences on the loss of his father.

“Francis Slay, Sr., was a committed member of the Church and the St. Louis community, a stalwart Democrat, and most importantly a dedicated family man. One thing is for sure – lunch at the Cedars will never be the same without his presence.
